TECHNAXX®

DigiTapeadapter DT-02 Turn the tape deck of your radio or home hi-fi system into a MP3 player

- Turn "Old" to "New", a tape deck becomes a MP3 player
- Unlimited pleasure of music comes from a SD memory card (up to 32GB)
- No cable clutter because of built-in rechargeable Li-Ion battery
- Portable MP3 player (earphones included), convenient for traveling and outdoor-activities

Still use your car tape radio or the tape unit in your hi-fi system and listen to your favourite music titles as MP3

Tape adapter usable as MP3 player

Large memory due to SD memory cards up to 32GB

All function buttons are integrated into the tape adapter

Card Reader function, Auto-Play function, Auto-MusicSearch function

Built-in Li-Ion battery, therefore no snarl of cables

Chargable through USB port

Usable as portable MP3 player. Ear plug is included in delivery
